The PCI Implementation Workshop - CPISI Certification Program at Bangalore went through the entire rigor and trained its participants for the coveted **Certified Payment Card Industry Security Implementer (CPISI) Certification Program**.

*The organizations that participated in the PCI Implementation Workshop were:*

- **AltiSource**
- **Fidelity**
- **Mahindra Satyam BPO**
- **Perot System**
- **Wipro**

**At the end of the training program, Mr. Jose Samuel, the President of ISACA Bangalore Chapter, handed over the SISA Runner's Up Trophy to Mr. Binu Chacko, Fidelity and the SISA Champion's Trophy to Mr. Sridhar Govardhan, Wipro Technologies based on their performance on both the days of the program.**

*Excerpts of the Participants' Testimonial:*

*"The content & flow of the workshop was very logical, easy to understand. Time management could have been better. The practical experience of the instructors was a Bonus." - Mr. Binu Chacko*

*"It was an excellent course explained with the help of live examples. The knowledge and experience of the faculties are amazing. I would refer this training to others in my organization." - Mr. Ravi. R*

The workshop was successful with increased participation from all participants. We thank one and all for the support and solicit your continued patronage to SISA Training programs.
