The 19th PCI Implementation Workshop at Mumbai went through the entire rigor and trained its participants for the coveted **Certified Payment Card Industry Security Implementer (CPI SI) Certification Program**.

The organizations that participated in the PCI Implementation Workshop were:

- 3i-Infotech
- Amdocs
- Avenues India Ltd
- Etisalat
- Fractal
- Vodafone

At the end of the training program, Mr. Prasanna Walchale, the Project Manager from Avenues India Ltd. handed over the Joint Runners Up Trophy to Mr. Prashant Tendulkar from Etisalat and Mr. Rangesh Durairaj, and also handed over the SISA Champion Trophy to Mr. Suresh S. Srinivasan, Vodafone based on their performance on both the days of the program.

The workshop was successful with increased participation from all participants. We thank one and all for the support and solicit your continued patronage to SISA Training programs.

*Best Regards
Training Manager*
