

“SISA speaks at the ISACA Global Information Security Conference in Las Vegas, USA”

“SISA speaks at the ISACA Global Information Security Conference in Las Vegas, USA which had participation from 200+ security professionals from across the globe. SISA’s Chief Consultant Mr. Dharshan Shanthamurthy was the only invited speaker from outside United States. SISA’s risk assessment product www.sisasmart was also demonstrated to the packed audience at one of ISACA’s biggest event.”
