

SISA PCI DSS Awareness Seminars at Dhaka and Kathmandu

SISA conducted PCI DSS Awareness Seminars at Dhaka and Kathmandu to spread awareness among banks and related service providers in Bangladesh and Nepal about PCI DSS Compliance. Mr. SA Raveendhrun and Mr. Neil Fernandez represented VISA, and Mr. PK Narayanan, Mr. Renju Varghese and Mr. Nitin Bhatnagar represented SISA.

Mr. P.K. Narayanan, a veteran in the field of Information security, having more than 15 years experience in the field, spoke about the PCI DSS requirements, the intent of these requirements and the resultant Brand Equity an organization can build by being PCI Compliant.

Mr. SA. Raveendhrun and Mr. Neil Fernandez represented VISA. Mr. SA Raveendhrun spoke about the PCI DSS mandates laid out by VISA under the AIS program for Visa Net Processors (POS and/or ATM Acquirers and Issuers).

The post lunch session was an elaborative panel discussion on PCI DSS by the experts from VISA and SISA. Mr Renju Varghese, Principal Consultant at SISA was the moderator for this session. The panel consisted of Mr. SA Raveendhrun, Mr. Neil Fernandez and Mr. PK Narayanan.

The panel discussion was followed by a Networking High Tea, where the participants got an opportunity to interact with the experts from VISA and SISA to clarify their doubts about PCI DSS Compliance.

The seminars included participants from banks like AB Bank, Bank Asia, BRAC Bank, Dhaka Bank, IFIC Bank, Islami Bank, Mutual Trust Bank, NCC Bank, National Bank, Prime Bank, Shahjalal Islami Bank, Social Islami Bank, South East Bank, Citi Bank, The Premier Bank, Trust Bank, United Commercial Bank, Mercantile Bank, EBL, Exim Bank, Dutch Bangla Bank, Himalayan Bank, Nepal SBI Bank, Standard Chartered Bank, Bank of Kathmandu, Surya Nepal, Sunrise Bank, Siddhartha Bank, Rastriya Banijiya Bank, Nepal Investment Bank, Nepal Industrial and Commercial Bank, Nabil Bank, Machapuchhre Bank, Laxmi Bank, Kumari Bank, Global Bank, Ace Development Bank etc.

Mr Nitin Bhatnagar (Global Head - Marketing and Business Development) from SISA Information Security was the coordinator for the events.
